	防止地区と一体的に土地利用を図るべき地域

This horizontal strip is a portion of a larger Japanese woodblock print. It depicts a landscape scene with a path or riverbed winding through the center. Figures, possibly旅人 (travelers), are visible along the path. The scene is framed by dense foliage and trees on both sides, with architectural elements like a torii gate and a building visible in the background.

1 : 50,000 (1km=2cm)

A horizontal scale bar representing 5000 meters. It features numerical markings at 0, 2000, 3000, 4000, and 5000m. The text "1 : 50,000" and "(1km=2cm)" is positioned above the scale bar.
