県民参画によるビジョンを策定 Formulation of "Education Vision" with the Participation of Chiba Prefecture Residents

10年後の「ちばっ子」はこうあってほしいという姿を描き、この姿を実現するために「今、何をしたらよいのか」を示した5年から10年の中長期的な指針となる教育ビジョンを、多くの県民の皆さんの参画により策定しました。

With the participation of many residents from Chiba Prefecture, we have developed an education vision in the form of a medium and long-term education guidance for the coming five to ten years, which describes an ideal figure that children in Chiba ("Chiba Kids") are expected to become, and shows what should be done now in order to realize that goal.

基本理念 Basic Philosophy

県民一人一人が主体となって、家庭・学校・地域が責任と信頼のもとに連携・協力し、心身ともに健康で、郷土を愛し、責任ある行動と自己表現のできる、あすを拓く「ちばっ子」を育てていきます。

With each individual resident of Chiba as the foundation, families, schools, and regional communities under responsibility and mutual trust and in coordination and cooperation with each other will raise "Chiba Kids" to the extent that they will be both mentally and physically healthy, love their hometown, be able to take responsible actions, express themselves, and create our future.

ビジョンの実現を目指して Efforts for Realizing of the Vision

ビジョンの実現に向け、家庭・地域や市町村と連携・協働した取組を推進するため、今後も「教育タウンミーティング」や「学校を核とした1000か所ミニ集会」を実施します。積極的にご参加いただき、あすを拓く「ちばっ子」の育成にみんなで取り組んでいきましょう。

In order to promote efforts and work for achieving the vision in cooperation with families, regional communities, and municipalities (cities, towns and villages), we will continue to hold "Town Education Meetings" and "Mini-Meetings in 1,000 different places with "School" as the main theme. We ask all concerned to proactively take part in these meetings. Let all of us make concerted efforts to nurture the "Chiba Kids" who become our leaders of tomorrow.
